R-30 RETAIL SCALE

Accurate, Affordable, and Portable...

The R-30 retail scale is the ultimate choice for simple price-computing applications. Delivering unmatched convenience and accuracy, the R-30 provides one-button operation while displaying weight to 1/100th of a pound.

For extra convenience, the R-30 features two LCD displays, one in front for the operator and the other in back for the customer. It has a large 12" x 8 1/2" platter for easy and efficient weighing. What's more, the R-30 incorporates an accumulator for totaling the day's receipts.

The R-30 is NTEP certified for lb use, and operates on either battery or 115 VAC. It is available in a 30 lb/15 kg capacity with a stainless steel or plastic platform.
