

Number: ISB07-06

Date: February 2007

To: MT Sales US, MT Service US, MT Sales Canada, MT Service Canada, Distributor Sales, Distributor Service

From: Adrienne Olwert

IND560 Canadian Approval “AM-5593”

Now you can install the IND560 terminal solutions into the Canadian marketplace to solve many legal-for-trade applications including:

- Single Material Transfer

- 2-4 Material Transfer

- Over – Under Checkweighing

- Fully Automated Control using a PLC

- Basic Weighing and output to a Printer, PC or with use of a Barcode Scanner

Go to www.my-mtconnection.com → Product Information → IND560 → subheading Engineering Specs
