## Mettler-Toledo, Inc. Scales & Systems

**Number:** R-8-99  
**Date:** 8-4-99  
**Model:** 355/2450/8450  
**Subject:** New Hardware

---

Starting August 1, 1999, date code HA, all model 355, 2450, and 8450 scale/printers will have a new Load Cell, Main PCB, Display PCB, and Display Harness. Part numbers for the new parts are as follows:

Part Number	Description
15515100B	Load Cell
15666800A	Main PCB
15689200A	Display Harness
B15514200A or B15514100A	Dual Display PCB Quad Display PCB

The new display boards and harnesses can be used in old units; however, the new load cell and the new Main PCB must be used in new units only. Do not mix load cells and Main PCB's.
