Number: MTFW-03-00
Date: 01-26-00
Model: 702 Bottom Label Applicator
Subject: Door Latch

A design change has been made to the 702 door latch. The design was changed to improve appearance and ease assembly. The new latches are not designed to be retrofit in to existing machines. The old parts will continue to be available for existing units. Reference the drawing and parts list below for service parts on the new latch assemblies.
