Date: 01-12-01
Model: 645
Subject: Infeed Door Stop

The infeed door actuator lever and stop has been redesigned to improve reliability. A flat has been machined on the shaft of the actuator lever and the stop is locked on the machined flat using a set screw. Stop adjustment is then made by means of a nylon tipped set screw and a jam nut. 645 Wrappers beginning with S/N 3093469-3AC include these new parts.

ITEM	QTY	DESCRIPTION	PART NO.
1	1	DOOR ACTUATOR STOP-INFEED	83144700A
2	1	HEX NUT, SS, M5	82708500A
3	1	FLAT TIP SET SCREW M4X5MM	82717900A
4	1	NYLON TIP SET SCREW M5X20MM	83153800A
5	1	DOOR ACTUATOR LEVER	A82875100A
