

### XIII. PARTS CATALOG

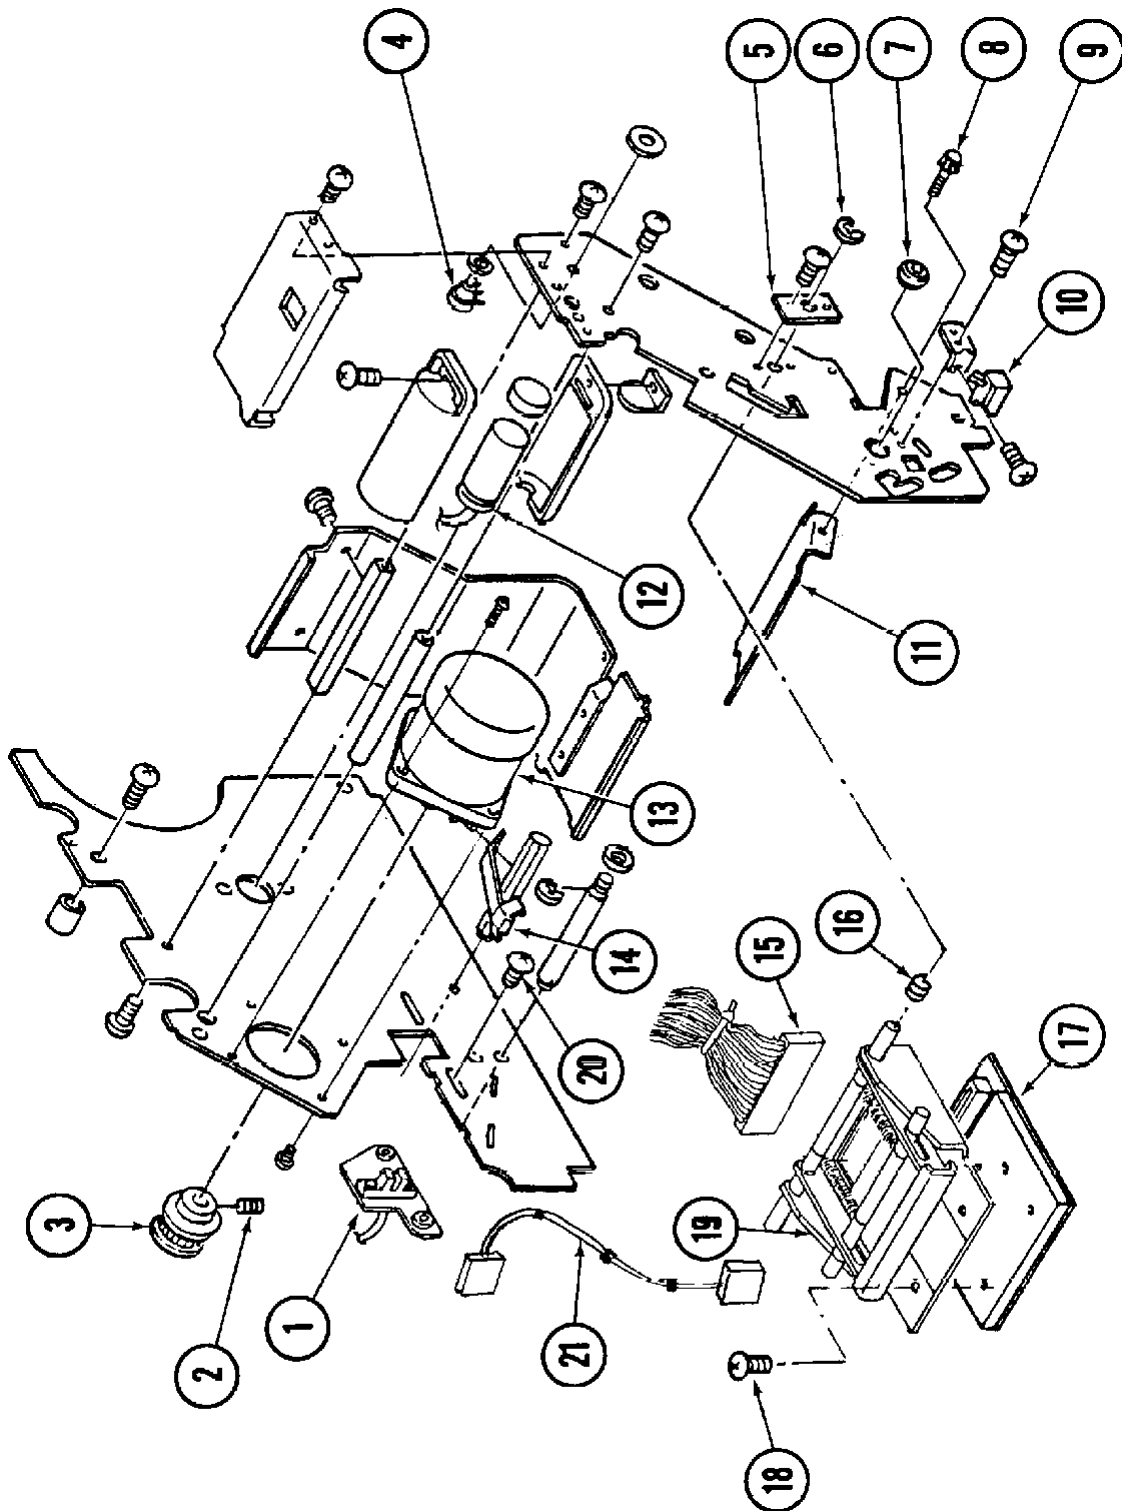

#### A. FRONT COVER BASE

## A. FRONT COVER BASE

| REF.<br>NO. | PART NUMBER | DESCRIPTION                             |
|-------------|-------------|-----------------------------------------|
| 1           | A130881 00A | Keyboard Assembly                       |
| 2           | 130879 00A  | LCD Assembly                            |
| 3           | R03744 00A  | Screw, Truss Hd / PH / M2 x 10          |
| 4           | 129543 00A  | Interlock Switch                        |
| 5           | 130833 00A  | Interlock Switch Assembly               |
| 6           | 130909 00A  | Removable Label Guide                   |
| 7           | R03746 00A  | Screw, PH / SW / OW / M 3 x 8           |
| 8           | 129184 00A  | Noise Filter                            |
| 9           | R03746 00A  | Screw, PH / M 4 x 6                     |
| 10          | 129184 00A  | Foot, Rubber                            |
| 11          | 130910 00A  | Keyswitch & Keyboard Connector Assembly |
| 12          | 129572 00A  | Key for Keyswitch                       |
| 13          | 130898 00A  | Front Cover                             |
| 14          | 130913 00A  | Label Support Extension                 |
| 15          | 130916 00A  | Protective Cap, Keyboard Port           |
| 16          | 130900 00A  | Front Bezel                             |

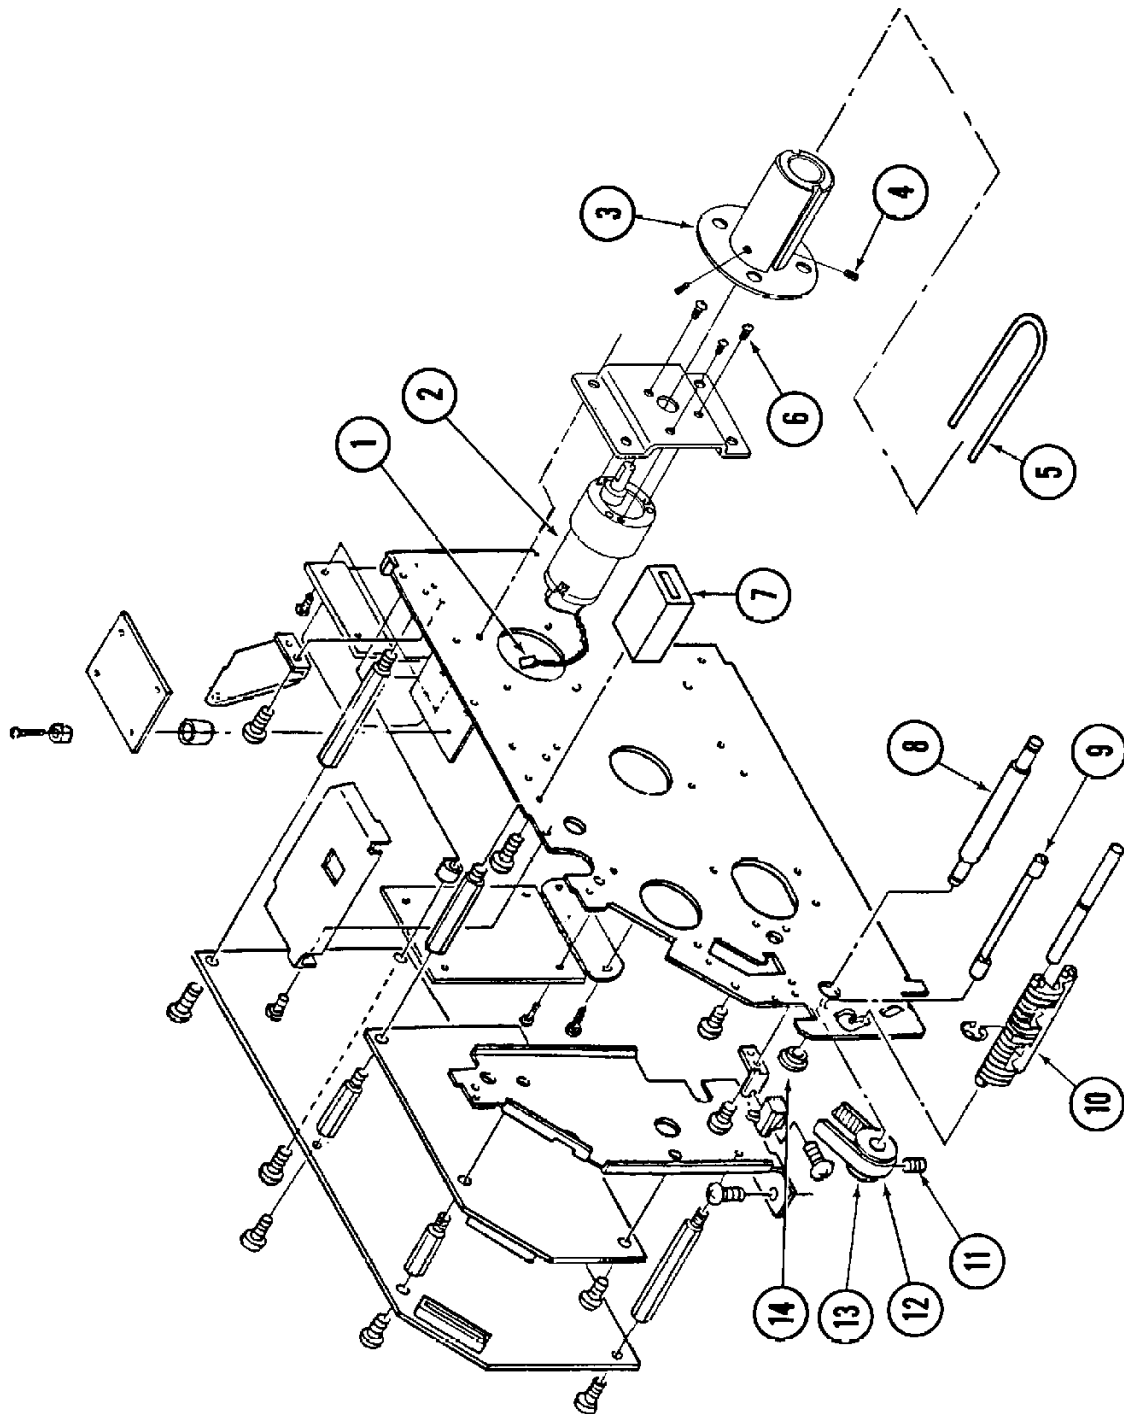

B. PRINTHEAD / STEPPER MOTOR / SENSORS

## B. PRINTHEAD / STEPPER MOTOR / SENSORS

| REF.<br>NO. | PART NUMBER | DESCRIPTION                           |
|-------------|-------------|---------------------------------------|
| 1           | 130887 00A  | Low Stock Sensor Assembly             |
| 2           | R03756 00A  | Set Screw, M 3 x 6                    |
| 3           | 130903 00A  | Gear                                  |
| 4           | 130882 00A  | LCD Contrast Control Assembly         |
| 5           | 129536 00A  | Retaining Plate                       |
| 6           | R03259 00A  | Retaining Ring, Type E-4              |
| 7           | 128920 00A  | Bearing, Printhead Roller             |
| 8           | R03788 00S  | Screw, Plastic Head M 3 x 6           |
| 9           | R03745 00A  | Screw, PH / SW / M 3 x 6              |
| 10          | 130888 00A  | Label Taken Sensor Assembly           |
| 11          | 130911 00A  | Label Guide, Rear Removable           |
| 12          | 130892 00A  | Capacitor Assembly, 10k mf            |
| 13          | 130065 00A  | Stepper Motor Assembly                |
| 14          | 130908 00A  | Label Pressing Plate                  |
| 15          | 130871 00A  | Harness, Printhead Connector          |
| 16          | 129537 00A  | Spring, Positioning                   |
| 17          | 128020 00A  | Thermal Printhead Assembly            |
| 18          | R03746 00A  | Screw, PH / SW / OW / M 3 x 8         |
| 19          | 128927 00A  | Support Assembly, Printhead           |
| 20          | R03748 00A  | Screw, PH / SW / OW / M 3 x 8         |
| 21          | 130915 00A  | Harness, Printhead Pre-heat Extension |

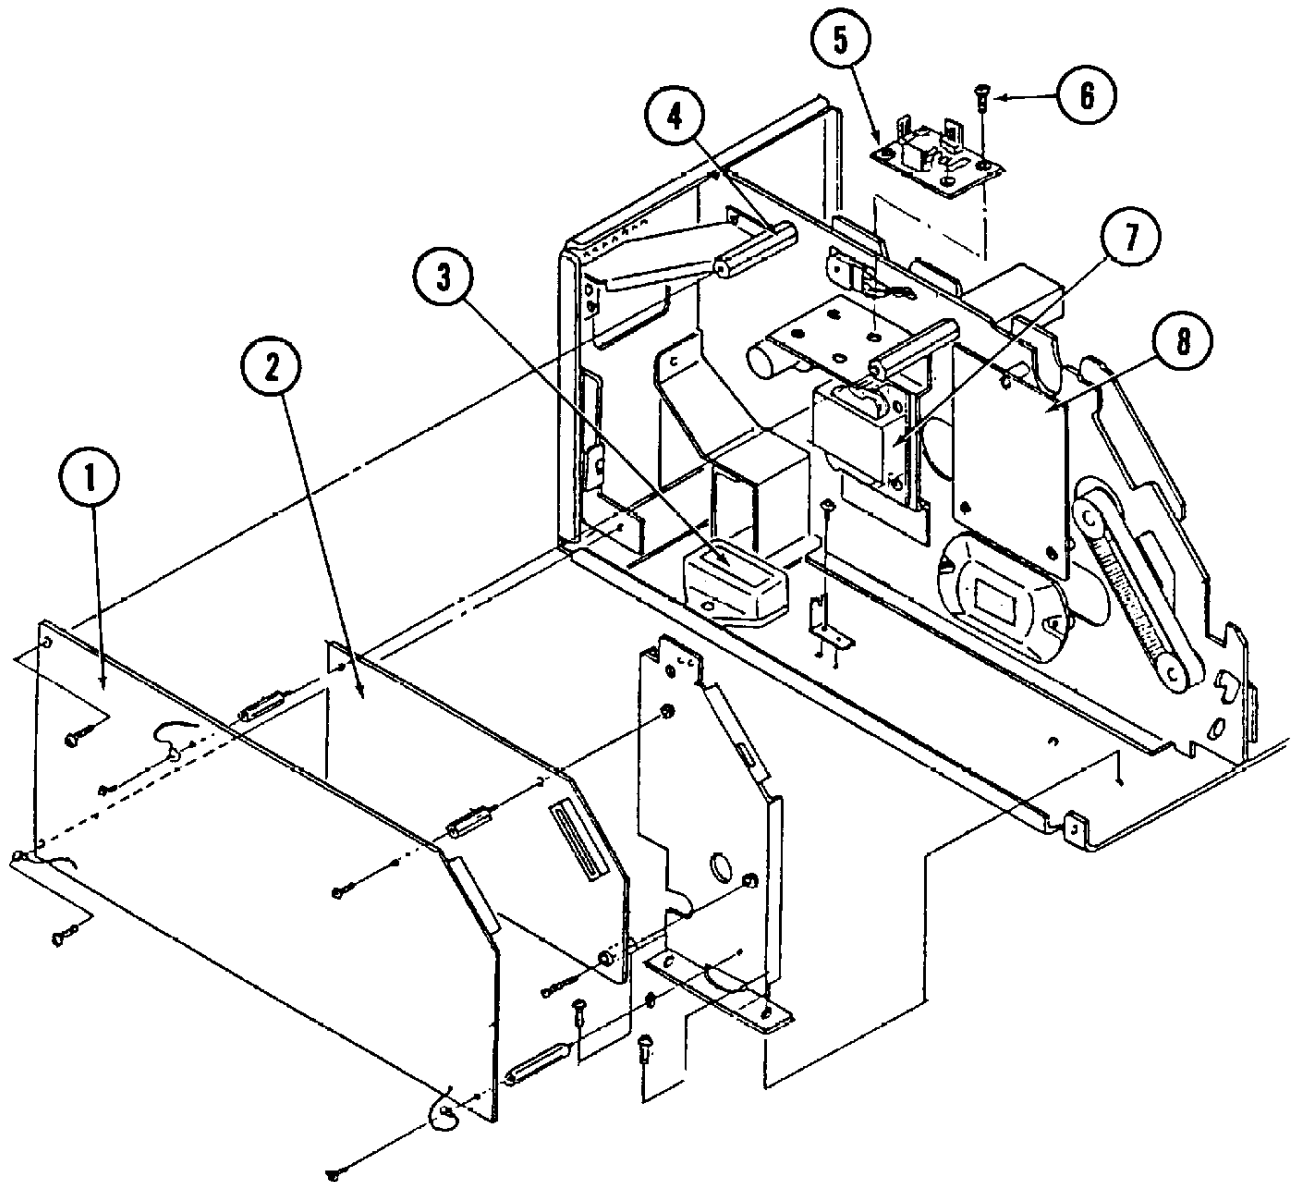

### C. PLATEN ROLLER / TAKE-UP MOTOR

### C. PLATEN ROLLER / TAKE-UP MOTOR

| REF.<br>NO. | PART NUMBER | DESCRIPTION                  |
|-------------|-------------|------------------------------|
| 1           | 130886 00A  | Harness, Take-Up Motor       |
| 2           | 130885 00A  | Take-Up Motor, 24 VDC        |
| 3           | 130907 00A  | Liner Take-Up Spool Assembly |
| 4           | R03756 00A  | Set Screw, M 3 x 6           |
| 5           | 128030 00A  | Liner Take-Up Clip           |
| 6           | R03746 00A  | Screw, PH / SW / OW / M 3x 6 |
| 7           | 130884 00A  | Counter Assembly             |
| 8           | 130905 00A  | Roller Assembly, Platen      |
| 9           | 130903 00A  | Label Stripper Bar           |
| 10          | 130904 00A  | Non-Stripper Bar             |
| 11          | R03756 00A  | Set Screw, M 3 x 6           |
| 12          | 128051 00A  | Belt, 140 Tooth              |
| 13          | 129522 00A  | Gear                         |
| 14          | 128920 00A  | Bearing, Platen Roller       |

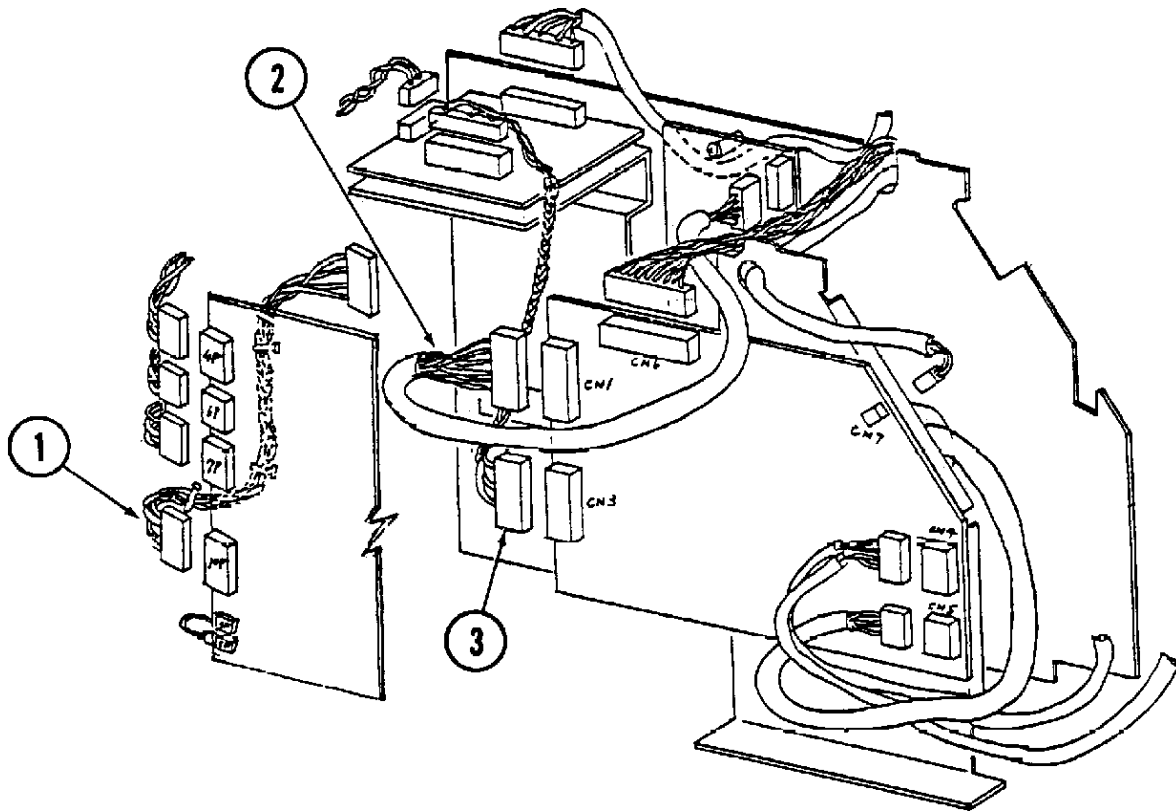

#### D. PCB'S / ELECTRICAL COMPONENTS

#### D. PCB'S / ELECTRICAL COMPONENTS

| REF.<br>NO. | PART NUMBER | DESCRIPTION                                                               |
|-------------|-------------|---------------------------------------------------------------------------|
| 1           | D130872 00A | Main Logic PCB Assembly                                                   |
|             | A135090 00A | EPROM Kit for Logic PCB (D rev SW)                                        |
| 2           | A128022 00A | Printer Driver PCB Assembly                                               |
| 3           | 129184 00A  | Noise Filter                                                              |
| 4           | 128037 00A  | Voltage Regulator Assembly                                                |
| 5           | 130877 00A  | Motor Connection PCB Assembly                                             |
| 6           | R03791 00A  | Screw PH / M 3 x 14                                                       |
| 7           | 130893 00A  | Transformer Assembly                                                      |
| 8           | 130876 00A  | Power Supply PCB Assembly                                                 |
|             | 137998 00A  | Power Supply PCB w/Switching Regulator<br>(New Style Soldered to PS PCB.) |
|             | 138000 00A  | Switching Regulator (Old style plug in type.)                             |

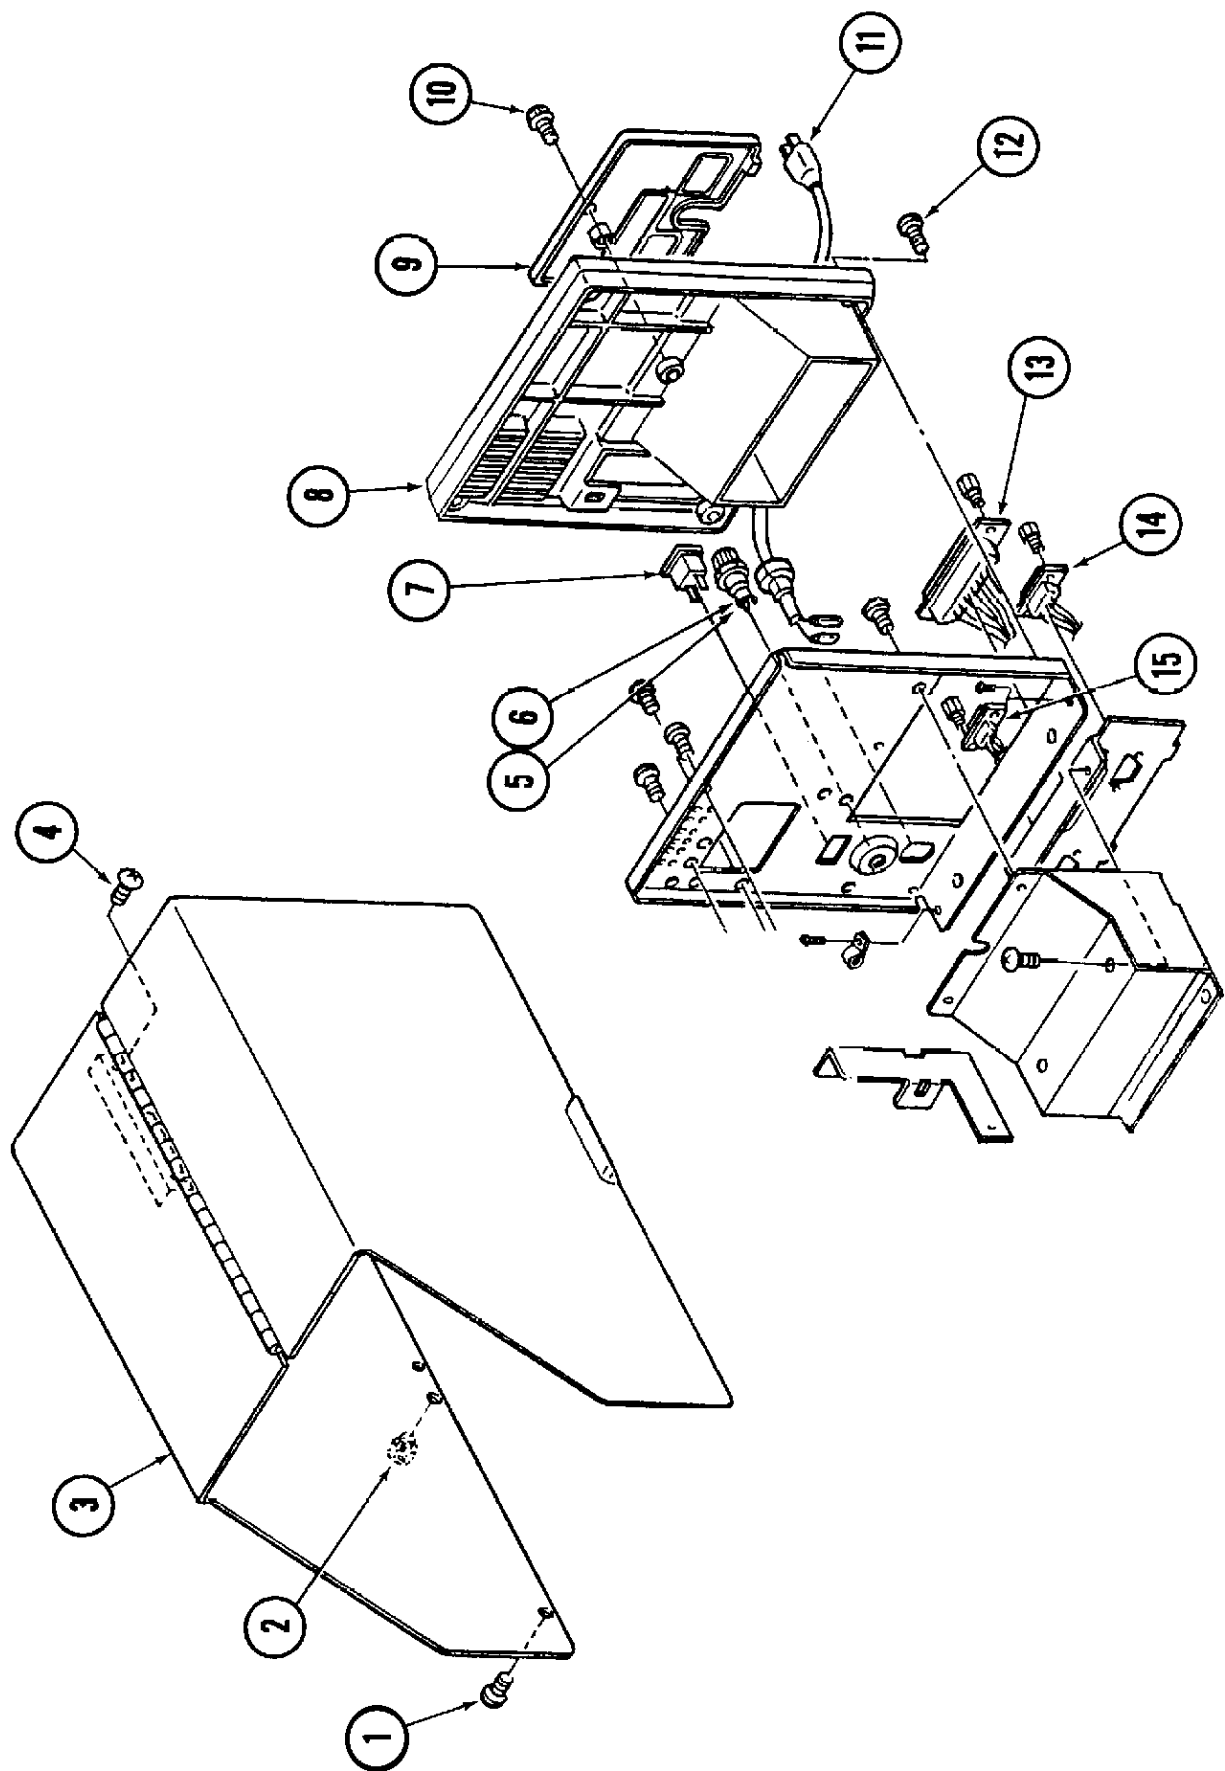

## E. PCB INTERCONNECTING HARNESSES

## E. PCB INTERCONNECTING HARNESSES

| REF.<br>NO. | PART NUMBER | DESCRIPTION                                         |
|-------------|-------------|-----------------------------------------------------|
| 1           | 130896 00A  | Harness, Power Supply PCB to Main Logic PCB         |
| 2           | 130895 00A  | Harness, Power Supply PCB to Printer Driver PCB     |
| 3           | 130878 00A  | Harness, Printer Driver PCB to Motor Connection PCB |

**F. TOP COVER / REAR COVER**

## F. TOP COVER / REAR COVER

| REF.<br>NO. | PART NUMBER | DESCRIPTION                                |
|-------------|-------------|--------------------------------------------|
| 1           | R03794 00A  | Screw, PH / M 4 x 6                        |
| 2           | 129553 00A  | Screw, Sealing                             |
| 3           | 130902 00A  | Top Cover Assembly                         |
| 4           | R03751 00A  | Screw, PH / SW / OW / M 4 x 12             |
| 5           | 129523 00A  | Fuse Holder Assembly                       |
| 6           | 100690 00A  | Fuse, 2A                                   |
| 7           | 128050 00A  | Power Switch                               |
| 8           | 130899 00A  | Rear Cover                                 |
| 9           | 130901 00A  | Cover, Rear Connector                      |
| 10          | 130912 00A  | Screw, Plastic Head                        |
| 11          | 130897 00A  | Power Cord                                 |
| 12          | R03794 00A  | Screw, PH / M 4 x 6                        |
| 13          | 130899 00A  | Connector & Harness Assembly, Computer     |
| 14          | 130890 00A  | Connector & Harness Assembly Scale         |
| 15          | 130891 00A  | Connector & Harness Assembly Tape Recorder |

## ACCESSORIES

| SERVICE<br>PART NUMBER | DESCRIPTION                  | SALES<br>NUMBER |
|------------------------|------------------------------|-----------------|
| A108952 00A            | Toledo Tape Recorder         | 0916 - 0030     |
| 118675 00A             | Recorder Cable Adapter       | 0090 - 0093     |
| 127013 00A             | Programming Keyboard         | 0952 - 0024     |
| 128609 00A             | Programming Keyboard Overlay |                 |
| 128619 00A             | Cable, Tape to Tape, 6 ft.   | 0900 - 0220     |
| 130870 00A             | Cable, 8421 to 350           | 0900 - 0249     |
| A108974 00A            | Tape, Blank Cassette (C20)   |                 |
| 130914 00A             | Tape, Blank Cassette (C90)   |                 |
