

## Commercial Duty — Industrial Scale

The METTLER TOLEDO VLC floor scale is fully electronic, portable, and has a low profile...making it ideal for freight consolidators, or shipping and receiving departments. The **Stainless Steel version** is available in 304ss or 316ss and was designed specifically for the **Food Industry** where harsh wet environments are the norm. Its low-profile design minimizes operator effort when loading the scale platform. Installation is easy...whether you decide to mount it in a portable above ground configuration or install it in a preformed pit supplied from METTLER TOLEDO. The VLC floor scale can interface with all METTLER TOLEDO analog instruments and accessories.

Specifications	2500 lb	6000 lb	10,000 lb
Platform Size (ft.)	3 x 3, 4 x 4, 4 x 5, 4 x 6, 5 x 5, 5 x 7	3 x 3, 4 x 4, 4 x 5, 4 x 6, 5 x 5, 5 x 7	4 x 4, 4 x 5, 4 x 6, 5 x 5, 5 x 7
Platform Height	4 inches	4 inches	4 inches
Shipping Weight	250 lb – 925 lb	250 lb – 925 lb	250 lb – 925 lb
Standard Operating Temperature	-10°C to 40°C	-10°C to 40°C	-10°C to 40°C
Construction	Epoxy Painted Mild Steel, 304 Stainless Steel, or 316 Stainless Steel		
Compatible Instruments	HAWK™, PANTHER®, LYNX®, JAGUAR®, JAGXTREME®, PUMA®, ID7, ID1-A		

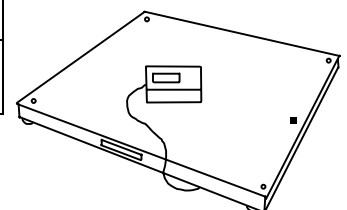

### Options:

- Stand-alone instrument column
- Ramp accessible on all four sides
- Foot locating plates
- Quick pit frames for easy in-floor installations
- Mild steel epoxy painted, 304 stainless steel, or 316 stainless steel
- Custom sizes

Features	Benefits
Rugged industrial construction	■ 100% end loading; ideal for weighing skids and totes on the shipping dock or fully loaded Lift Trucks in your processing plant
Hermetically sealed, stainless steel load cells	■ Provides maximum protection in tough, wet, and chemically corrosive environments
Threaded foot with ball and cup suspension	■ A proven solution for easy installation and portability
Safety tread plate	■ Minimizes risk of slipping on the scale
IP68 rated Junction box	■ Keeps sensitive scale electronics dry, minimizes downtime
NTEP Certified for Class III, 5000d	■ Legal-for-trade applications ■ COC #95-111A4

METTLER TOLEDO is the largest scale manufacturer in the world and has been a major supplier of industrial weighing equipment since the turn of the century. We have authorized sales and service offices throughout the U.S., Canada, and every major part of the world.
