Education

These new contenders have everything that a balance needs. With no extra frills. Just an affordable price. Plus the quality you naturally expect from METTLER TOLEDO.

Points for the operator.

- Just a few keys, simple to operate
- Large-format, high-contrast LCD display is easy on the eye
- Stored menu settings optimize your weighing processes
- Handy, a pleasure to use, unmistakable: quality and expertise from METTLER TOLEDO

Points for versatility.

- Rugged and durable for daily use
- Comprehensive selection of user programs – everything you need
- Accessories and optional extras for specific requirements – only buy what you need

Power points.

- Handy compact design with large weighing pan
- Batteries make you independent of the AC power supply if required
- An internal battery charger (optional extra) gives you even more independence
- Automatic shutoff function conserves power

Points for technology and balance features.

Model (Order No.)	Readability	Max. load	Repeatability (s)	Linearity	Weighing pan Ø mm	Weight kg	List price
PL202-S	0.01 g	210 g	± 0.008 g	± 0.02 g	120	1.0	
PL601-S	0.1 g	610 g	± 0.08 g	± 0.2 g	160	1.2	
PL1501-S	0.1 g	1510 g	± 0.08 g	± 0.2 g	160	1.3	
PL6000-S	1 g	6100 g	± 0.8 g	± 2.0 g	160	1.3	

Wide range of user programs:

- Automatic adjustment with external weight
- Piece counting
- Percent weighing
- Calculation with a custom "free factor"
- Selectable character size in display*
