◆ **Simple Weighing**

Easy to Use. METTLER TOLEDO makes work easy with large, well marked keys which employ user-friendly tactile feedback and one key / one function use. A built-in battery option allows you to use the scale wherever it is needed and the built-in depression on the weighing pan keeps rolls in place.

Rugged Design for Plant Floor Use. This simple weighing scale features durable die-cast aluminum housing with stainless steel weighing pan and adjustable feet. Designed with the industrial environment in mind, it features no edges or grooves for easy cleaning!

Simple Connectivity. Connecting your Viper scale to your ERP or inventory control system has never been easier. METTLER TOLEDO provides worldwide service and a wide product range.
