Referencing Parts and Kits

The METTLER TOLEDO Mechanical Overhaul Kits and Parts Catalog is your guide to mechanical scale replacement parts in easy to order overhaul kits. These kits and parts are available from mechanical scale manufacturers including METTLER TOLEDO®, Cardinal-Murphy®, Detecto®, Fairbanks®, Howe®, and Thurman®.

This catalog is designed as a user-friendly reference for mechanical scale overhaul kits and parts. The catalog is grouped according to scale manufacturer. Each manufacturer begins with a cross-reference section that provides direction to model, part and main lever numbers. The references are separated into the following corresponding sections:

- Manufacturer scale model numbers that correspond to METTLER TOLEDO overhaul kit numbers and pages.
- Scale manufacturer part numbers in relation to METTLER TOLEDO part numbers, part prices and pages.
- Manufacturer main lever casting numbers (if applicable) that correspond to METTLER TOLEDO overhaul kit numbers and pages.
